

ROKK™ Mini

A universal, compact and multi-adjustable mounting system for smart phones, tablets, small fish finders, digital and action cameras & more!

Perfect for kayaking, fresh and salt water fishing and for use on all sailboats & powerboats.

SCANSTRUT

ROKK™

Small in size but really big on features, Rokk Mini is simply the best, most reliable mount for your tech onboard.

1/4 Turn Between Adjustment and Rokk Solid

- The metal-on-metal locking system multiples your clamping efforts to guarantee 100% locking force when tightened.
- Once your tech is in its chosen place, it will never, ever move. Unless you want it to.

Tether Mount

- Allows secure use of devices when they are detached from Rokk Mini.
- Attaches to fixture point on Rokk Mini Base.

Instant Quick Release Base

- Instantly install your electronics onboard.
- Listen for the reassuring 'click' of the lock button and you're ready to start using your electronics
- When you're done simply click the red button to take your tech away with you.
- No tools required.

What Device Are You Mounting?

GoPro

1/4" Camera

Small Device
